We strongly recommend all participants to read the Registration information and select the preferred attendance type. In order to register please follow the link here or visit the [\[here\]](#)

*Entrance is not allowed to non healthcare professionals*

# Complex aortic aneurysm Symposium

Athens,  
September  
2021 | 10

## GENERAL INFORMATION

*Continuity*

### Attendance Type

The scientific hybrid symposium offers two attendance alternatives either physical or virtual.

#### Physical Attendance

The physical registered delegates have access to the following:

- Scientific program Attendance (in conjunction with the opportunity for “on demand attendance” of scientific sessions through the online platform).
- e-Conference materials (i.e. e-program, certificate).
- Access to the exhibition area.
- Access to the online platform (Platform access will be valid for two months after the end of the event).
- Coffee and Lunch Breaks.

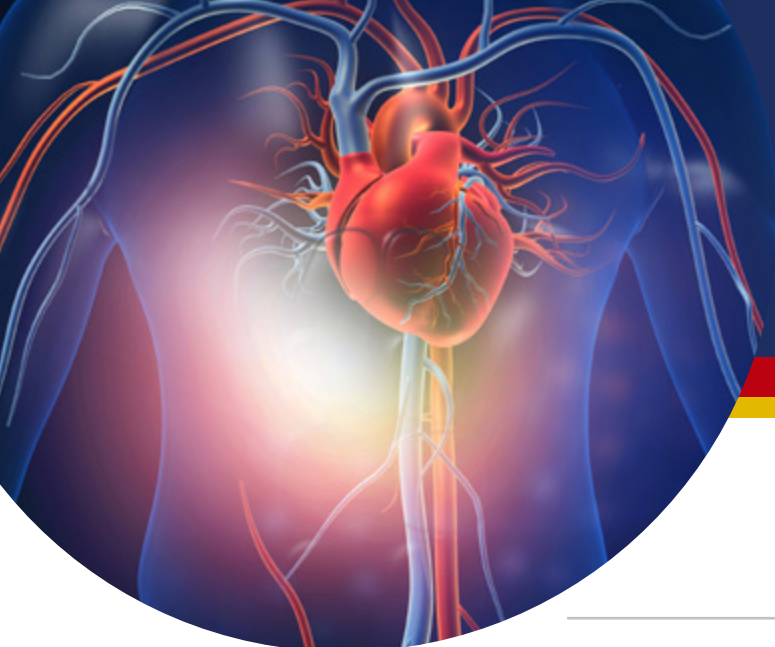

#### Virtual attendance

The virtual registered delegates have access to the following:

- Scientific program attendance via the online platform.
- e-Conference materials (i.e. e-program, certificate).
- Access to the online sponsors material (i.e. prpmo leaflets, etc)
- Access to the online platform (Platform access will be valid for two months after the end of the event).
